

QUESTIONNAIRE.

Thanks for taking the time to review and answer the questions on this form. This really helps us in understanding you and your home, as well as helping us get the most out of our first meeting together. We will be able to discuss more in depth when we meet. Please fill out what you can on this form and send to dawn@dsmdesignstudio.com. If you would like, please send any images or floor plans (if easily available) of your space along with this form.

Other, please list.

FAMILY.

Please provide details on the people (and animals!) that are living or will be living in your space. Name, age, special needs or requests, and other information that will help us understand your family dynamics and how space is used.

LIFE and STYLE.

Describe your family's lifestyle and a typical day in the home.

How often do you entertain? Is it more casual or formal?

What are your special hobbies or activities, as well as the other family members?

Do you have special collections that we need to consider while planning?

Does your household agree on tastes and how spaces are used? Describe your differences.

What "mood" would you like to create in your space?

What colors, textures, styles of furniture do you naturally gravitate to?

Please list out some favorite colors, patterns / textures, and notes on "styles" that you would like to consider for your home. It is also great to let us know what colors and styles that you do not like.

TELL US MORE ABOUT YOUR PROJECT.

Please briefly describe your space. Construction style, age of home, how many square feet, list rooms to be designed.

What types of changes would you like to make?

Favorite areas of home?

Negative areas of home?

How long do you plan to occupy this home?

Would you like to consider "green" products in your home?

What is your preferred time frame for having this project complete?

What rooms or areas are first priorities?

Do you have existing items that you would like to reuse in home? Are you open to "shopping" in your own home?

Are you comfortable providing us with access to your home to work when you are not home? We prefer to do installations, etc when you are not home, which allows us to work efficiently and have a finished space waiting for you!

How much are you planning to invest in this project?

Do you prefer to complete this project all at once or in phases?

EXTRA NOTES. Please let us know any other details that will help us learn more about how we can help you with your design needs.
